## Inclusive Dinner, Room and Breakfast Terms

are available for stays of three nights or more only when booked directly by guests.

Guests have a choice of where to dine. The daily changing table d'hôte menu is served in the more formal Dining Room. An à la carte menu is offered on The Quarterdeck, the seafood restaurant. A good, varied room service menu is available at all hours.

The room rates include VAT. There are no other local taxes, hidden extras or service charges added to the account. The Nare operates a traditional tronc system for gratuities, which may be added to the final bill, and are left entirely at guests' discretion. They are shared amongst all staff and specifically are not for the benefit of management or the company.

Room rates are based on two guests sharing. There is a reduced rate for single occupancy of a double room allowing for meals not taken. Likewise, there are additional charges for more than two guests per room.

**Children's Arrangements:** Special rates are available for children sharing their parents' room. The full rate is charged for those who occupy adult accommodation.

**Dogs are welcome.** There is a daily charge for those that come into the hotel of £22 for a small dog, £27 medium and £30 large. Chef's Dish of the Day is included within these terms. An à la carte menu is also available. There is no charge for those staying in the working dogs' kennels.

## Confirmation Terms

All rooms are offered subject to being available on receipt of confirmation and deposit. A non-refundable deposit of £300 per person is required with all confirmed bookings, which will be credited to your account on arrival. Due to the location and style of the hotel, when a room is confirmed, we make a firm commitment to our guests to hold that allocated room for them. Often reservations are made well in advance and re-letting cancelled accommodation may be difficult at short notice. Therefore, we reserve the right to charge 75% of the confirmed rate for any booking amended or cancelled less than one month prior to the date of arrival, if we are unable to re-let the room(s). Any amendments must be made in writing to the hotel.

No allowance can be made for temporary absence, meals not taken, or accommodation being vacated before the confirmed date of departure or delayed arrival. It is regretted that terms confirmed cannot be changed during the stay. Guests are strongly advised to arrange holiday cancellation insurance to cover confirmed bookings. We would be pleased to help arrange this upon request, but do not presume to impose insurance on guests.

## Country House Arrangements

**Dress Code:** The Nare is a traditional country house hotel. In the evening there is a more formal dress code than is usually found in many other more modern and casual establishments. It is expected that guests change for dinner and dress for the occasion in the Dining Room where most guests prefer to follow a jacket and tie guideline. This is purely a guideline, since there are no set rules, and is mentioned as a helpful indicator so guests feel comfortable and know what they may expect to find. Whilst no one is going to tell anyone what to wear – they may quietly decline to serve stylishly-challenged scruffs! One asks simply, as a courtesy to others, to respect an atmosphere that most guests prefer.

**Children's Dining Arrangements:** Children under seven are expected for Children's Early Supper on The Quarterdeck between 5.30pm and 6.15pm and not later in the evening during the main dinner service. For those children who are more grown up and would like to dine with their parents, Family Dining with a modified menu will be available between 6.30pm and 7.30pm. For orders after these times only the full table d'hôte menu will be served and the full set price charged following the mantra "Grown up prices for grown up behaviour!"

**Hotel Boat:** Both Private Charters and Scheduled Sailings (shared with other guests) may be booked in advance on Alice Rose, The Nare's traditional 38ft motor launch. Private Charters (your own boat for the day with coxswain, chief steward, lunch and transfers) are available by appointment from £800 per day and can accommodate up to 10 guests (£960). Scheduled sailings are available at £130 per guest, typically sailing on Mondays and Fridays. All sailing takes place during the summer months from the beginning of April to the end of September, weather permitting.

**Chauffeur Service:** This unique Nare service is available to chauffeur guests from anywhere in the country (home address/airports/hotels) to The Nare in either of the two comfortable Nare Range Rovers or the larger Mercedes. It is usually quoted as an inclusive Quintessential Country House rate and arranged by appointment at the time of booking. Daily excursions to explore the beautiful Cornish countryside, gardens and attractions are also available at the following rates: per half day at £250, per full day at £380.
